Resolved, (1), that the government hould turnish us with funds whereby

knows the louder he should talk.

Resolved. (3), that it is entirely unnecessary for any man to know anything about finances, as applied to nations, in order to be a vigerous and stariwart member of this organization. Its sole object is to secure for its members immunity from the just payment of resolutions and like his politics.

diagracetal ansat between induced in the payment of said note; and whereas default has been the payment of said note; and whereas default has been the payment of said note; and whereas default has been the payment of said note; and whereas default has been the payment of said note; and whereas the payment of said note; and whereas default has been the payment of said note; and whereas default has been the payment of said note; and whereas default has been the payment of said note; and whereas default has been the payment of said note; and whereas default has been the payment of said note; and whereas default has been the payment of said note; and whereas default has been the payment of said note; and whereas default has been the payment of said note; and whereas default has been the payment of said note; and whereas default has been the payment of said note; and whereas default has been the payment of said note; and whereas default has been the payment of said note; and whereas default has payment of said note; and the payment of said note; an

pemitted sundry articles written by elected, viz: Wilkinson, Tipton, Hart, the costs and expenses of his treat.

W. R. Adams to appear in the columns of the Corning Herald, he should Hamsher and T. J. Davis, were be supported by every hopeful mem-elected for school directors.

he at once quits his farm-leaving it to go to rack and rula-and commences cavorting over the country making speeches in the interest of the peerless D.R.-G-B.-R. party.

Resolved, (8). that Dr. John S. Bene

fiel of Craig is a guileless patriot, whose playful joke in having a few more wives than the law allows, thus exemplifying the true inflation theory, in no way unfits him to be an bonorable leader in the resistless D.-R.-G-B.-R.-party of Holt county.

Besolved, (9), that as Clark Irvine formerly, at times, refused to publish on the Holt County Press articles emanating from the gigantic intellect of W. B. Adams the storesaid I-vine be viewed with suspicion, and regarded only as a probationer.

Resolved. (10), that so the Holt County SENTINEL recently published erbatim et literatim an article written W. R. Adams, thereby proving its uthor to be an Ignorant old ass. the oresaid Holt County SENTINEL hereby be suppressed; and that its editor be hereafter denounced on all occa-sions by the members of this organigation, as a horse-thiet.

At the conclusion of the reading of the short resolution, W. R. Adams and Behold Thes Beautiful Flow-ers and Nodel Eate.

All of the Latest Cityles, and will be SOLD The meeting then adjourned size to anit the times. Hats Remodeled for Some VERY LOW, at the bir-room of the Old City Hotel. Northeast Corner of the Square.

### Mound City.

ED. SENTINEL:-As the time passes call in the SENTINEL, the Democratic- matters and things change; the old Republican—Greenback—Reform party of Holt county, consisting of W.R. affairs of life give way to the new, as they turn up in the endless revolution of W.R. ution of nature.

Since I last wrote you our little town has had its share of strange stock of goods to the room formerly happenings, and I will try to give occupied by B F Potter, where they them to you as they come to mind. will be pleased to see all their old In the first place, though, I shall that it would be necessary to have a beg your pardon for not writing you desire to get Prices. They will sell during the several weeks past.

Our people are, as a general thing, Northwest Missouri, and always carquiet and conservative in all things, ry a large and complete stock of all

ducted himself to the chair and mod- conciliatory spirit; hence, many cir- Shoes, etc. Dou't forget the new lecumstances that might be of interest cation. to others, are soon forgotton by them Then seating himself, he bowed his or considered of no consequence, We were all greatly surprised. tew moments,-after which he cast his when the report became public that eagle eyes over the empty benches and our constable, J. H. Steele, had desuggested that no large and enthusi- camped; and in fact we are being

astic meeting, called for the purpose surprised each day since he left at of revolutionizing the whole system of what he had done in the way of colour government, could be properly lections. His bondsmen, all exconducted without a secretary to re- cellent gentlemen are ready cord the proceedings. He would there to arrange his shortages just found out. John's delinquences will reach away up in the hundreds.

Our farmers are all ready spring to come. Whilst the long dry spell has given them a splendld time the minions in power and cause them to brake, and burn their stocks, they to tremble in their boots or shoes or now want rain badly, before the stippers or socks. He had, he said, farming season begins. We had a nitted a few thoughts to paper, very fine shower Sunday morning but not enough to do hard ground the bill. It no objection was made, be much good. The fall wheat in this

W. H. Frame, our most friend was in town on Friday and Saturday. He left at our house a petition and summons-as he did many other places.
Strickler & Strickler are making it

warm for the widows, orphans, cripples and some others here. Some of us hope "in our mesaness" to see hem in the poor house yet.

We were wanting to be editor of a paper, last week-for a little while only. We wanted to answer charges made by one Thurston, correspondent of the Kaness City Times, at Jefferson City, against Hon. H. S.Keily. Did you see it? Does Thurston know that he is not fit to lace the shoes upon Judge Kelly's feet? Dees he know that, even though the Judge is ported by the general public; there- a Republican, he is more honorable Cowan of Christian, throws together ! Does he know that Judge Kelley has written three books that are largely ning or tolling in any manner whatever.

Resolved, (2), that the highest aim and ambition of every true Democrating—Republican—Greenback—Reform—or thought that there was too much and that no one but Thurston has every true there was too much and that no one but Thurston has every true there was too much and that no one but Thurston has every true thought that there was too much and this too much and that no one but Thurston has every true the state of th no and that there was too much all of the northeast fourth of the responding to the state of Missouri, to wit:

or thought that there was too much all of the northeast fourth of the responding to the state of Missouri, to wit:

or thought that there was too much all of the northeast fourth of the responding to the state of Missouri, to wit:

or thought that there was too much all of the northeast fourth of the sion when he finds two or three per-sons assembled together. The less he diagraceful affair between Thurston perment of certain promiseory notes

writer does not like his politics. Resolved. (4), that J. R. Dodds is a humbug (politically); but in consider-tion of the fact that he has recently and Hill 20. The old council was

W. B. Adams to appear in the columns of the Corning Herald, he should be supported by every bopeful member of the D. R. G. B. R. party, and the right-hand of fellowship is hereby extended him.

Resolved, (5), that as there are to day two wagon-loads of fresh fish on the streets of Oregon, which fish-wagons have congregated around them this hall, therefore the National Congress should speedily pass a law which will prohibit the salling of fish on any day when there is a call for a meeting of the D.-R. G.B.-R. party.

Resolved, (6), that, as Charley Barnes of Mound City has recently shown asymptoms of having more sense than we ever gave him credit for, he be peremptorly expelled from this organization. To attain our highest ambition, we need lees brains and more wind.

Resolved, (7), that, it being currently reported that W. H. Patierson of Whig Valley has a fine farm, free of encumbrance, which he successfully cultivates (making it, in fact, one of the model farms of the county) and that he honestly and promptly pays all of his just debts, he should be viewed with snapsions and distruct unless the first the county of the corning Herald raise and those this farm—levalige it to go it rack and ruin—and commences of going into the suffrage business?

Allows with a portion of the contract of the county of the corning Herald raise the wind special promptly pays all of his just debts, he should be viewed with anappions and distruct unless the to go to rack and ruin—and commences going into the suffrage business?

We have no Woman's Union here.

We have no Woman's Union here.

What in the world does it mean that he going into the suffrage business?

A District Corn and posted being street in Lewis Corn and them the precise in the count of Biggeria.

Resolved, (7), that, it being currently reported that W. H. Patierson of the county and that he honestly and promptly pays all of the proper in Archest pays and the promptly pays all of the promptly p
